Some Violence In Philadelphia Transit Strike

Strike In Sixth Day—Public Transportation Completely Stopped

ESTIMATE LOSS IN STRIKE HUGE

By TOM R. BRISLIN
(I. N. S. Staff Correspondent)
PHILADELPHIA, Feb. 16.—Scattered violence broke out today in the sixth day of the transportation strike which has stopped practically every means of public transportation in Philadelphia.

With the nation's third largest city slowed to a walk at a cost of millions of dollars daily, police reported that roving squads of men were trying to stop what little transportation there is.

According to authorities these squads roughed up motorists whom they accused of carrying paid passengers.

Negotiations Continue

Negotiations between the CIO Transport Workers Union and the Philadelphia Transportation Company continued with both sides still far apart on wage issues. Conferences were to be resumed at 10:30 a. m.

Not a trolley, bus or subway train stirred on PTC's 1500-mile network which normally carries 3,200,000 persons daily.

And there were no taxicabs to take care of stranded travelers, including plane passengers at the airport, or to rush emergency patients to hospitals.

Cases of violence were reported this morning by motorists who said their cars were stopped and searched by roving groups of men.

Police said Emanuel Taylor, 30, Negro, was halted by five men who ripped a door from his automobile and shattered the windows.

Another driver, Claire Reed, 33, suffered severe eye injuries when

Pa Newc Observes

Cecil Smock, 112½ West Washington, employee at the American Cyanamid plant at Edensburg, reports to Pa Newc that while at work on Tuesday, he caught a grasshopper and a short while later he espied a bluebird.

Lawns about the city are getting a good start so that the family lawnmower will have to be wheeled out bright and early in the coming spring months. Already grass is growing on many lawns it is observed by Pa Newc.

New Castle merchants are hoping for a continuance of the mild weather over Thursday. Tomorrow is the annual Dollar Day event for 52 merchants of the city, and good weather will be an aid to making the day a fine success.

An overnight drop of over 33 degrees in temperature was recorded here. After reaching a high of 63 on Tuesday afternoon, temperature began to drop steadily, and this morning the thermometer registered about 30 degrees. However, another fair day is being experienced and the mercury is rising some again today.

In the interest of safety, the State Highway Department maintenance crews are erecting "slow" signs at the underpass of Route 18 near Moravia. The new signs are to be placed four to six hundred feet on either side of the overhead bridge so that trucks and other motorists may become aware

Nice Day To Take Things Easy

Temperature rose to 77 in Washington yesterday for the warmest February 15th since 1909. The fish weren't biting in the Tidal Basin but James McLennan doesn't care. It's a nice day to take it easy.

Merchants Prepare For Shopping Crowds Here On Thursday

If it's bargains you're looking for these days, then be sure to be in the shopping crowd here on Thursday—that is tomorrow.

For Thursday is New Castle's first Dollar Day of 1949. There will be another Dollar Day this year. Probably during the latter part of the year, but there couldn't be better buys then, with what is going to be put on the counters tomorrow.

Fifty-two local merchants are going to make it possible for shoppers to get extra values in merchandise purchases Thursday. A wide stock of excellent merchandise was purchased as far back as last December by merchants, in preparation for this great sale.

Every budget-conscious housewife will be downtown Thursday. Thus far we've had spring-like

Columbus Theatre Lobby Is Damaged

COLUMBUS, O., Feb. 16.—(INS)—Damage to the blast-wrecked lobby of the Indianola theatre in Columbus was set today "in the thousands."

Last night, two hours before evening performances were to begin, a boiler exploded, shattering plate glass into the street, tearing entrance doors from their hinges and perforating the cashier's booth. No one was injured.

An investigation into the cause of the blast was begun today as repairs got under way.

Deny Report That Sun Fo Has Quit

No Early Action Seen On Truman's Tax Proposals

WASHINGTON, Feb. 16.—(INS)—President Truman's request for a four billion dollar tax increase was placed on a "standby" basis in congress today with no action expected for two or three months.

Congress, with the president's approval, has decided to wait until late before acting on the request made first in Mr. Truman's January state of the union message.

It will then determine how much additional revenue, if any, is needed to keep the government out of the red during the 1950 fiscal year beginning July 1.

Factors in Decision

The decision will be based on the revenue taken in by March, deadline for income tax returns, and by the size of the appropriations voted by congress.

In any event, the president has made it clear that by requesting that social security legislation be taken up ahead of new taxes he has not abandoned his original recommendation for increased levies.

Action on the president's tax request may now be postponed until late in April or early May when the house hopes to complete at least a major portion of the appropriation bills for the next fiscal year. By then, congress will know whether the president's record peacetime 1950 fiscal year budget will be exceeded or cut, and by approximately how much.

Taxicab Strike Aid To Traffic

PHILADELPHIA, Feb. 16.—(INS)—Traffic in strike-bound Philadelphia whizzed along in stride today despite the six-day-old strike of 11,000 trolley, bus and subway employees.

The concurrent strike of 4,000 taxicab firm employees, ironically, helped to speed the flow of trucks and cars placing a triple burden on the city's highways.

Traffic Engineer Robert A. Mitchell said the absence of several thousand cabs "helped in some measure" to avert jam-ups experienced in early days of the transit walkout.

The Pennsylvania railroad and the Reading Co. reported smoother operations in the transportation of strike-bound workers. Many business firms "staggered" working hours to lighten the load on the carriers.

TWO ARE KILLED

SCRANTON, Pa., Feb. 16.—(INS)—Two men were killed today in the head-on collision of their automobiles at Clark Summit.

Raymond E. Decker, 33, one of the drivers of Dalton, succumbed shortly after the accident, and the other victim, Marbie Gay, Jr., 53, of Eaton township, Wyoming county, died three hours later in a hospital.

Compromises On New Labor Bill Now Shaping Up

Decisions On Three Of Five Issues Appear To Be Nearing, In Senate

WILLIAM GREEN GIVES LABOR VIEW

By PHILLIPS J. PECK
(I. N. S. Staff Correspondent)
WASHINGTON, Feb. 16.

Compromise decisions appeared to be gradually taking shape today on three of the five issues of "great conflict" in the writing of a new labor law.

The record of 12 days of testimony before the Senate Labor Committee points the way to the ultimate settlements, in the Senate at least, on three disputed questions.

The issues and the indicated probable solutions are:

1. Closed Shop—Lifting of the Taft-Hartley ban on such union security clauses but with safeguards against "abuses."

2. Mediation Service—Maintain its independent status instead of returning it to the Labor Department as sought by the administration.

3. National Labor Relations Board—Keep some Taft-Hartley modifications on its administrative procedures but end the separation of the general counsel's office from the board.

Sen. Morse (R) Oregon, is active—(Continued on Page Two)

Super-Secret Trial On Spy Charges Open

MUNICH, Feb. 16.—(INS)—A super-secret trial of the first of 20 persons charged with spying for the Communist Czechoslovak government opened today before a U. S. military court in Munich.

So strict are the security regulations surrounding the trial, that the names of the person—or persons—appearing before the army tribunal today have been withheld.

A few minutes before the trial began, a defendant—described as a Czech National—was brought into Munich from an army stockade. He looked to be in his late twenties, and wore army fatigues and handcuffs. The unidentified man appeared frightened.

A heavy guard of American soldiers was posted around the military government headquarters building where the trial is being held.

The defendants are accused of selling important secret military, political and industrial information to the Communist government of Czechoslovakia and, if convicted, could be sentenced to death.

Eight officers constitute the tribunal which will hear the case, which had its origin in a roundup of 20 persons Nov. 9.

A military spokesman said that three of the trails will be public but the first and last will be held in secret because the testimony, the verdicts and even the identities and nationalities of witnesses and defendants are valuable information.

No U. S. Commitment To Go To War

Sen. Arthur Vandenberg, left, ranking Republican member of the Senate Foreign Relations committee, and Senator Tom Connally, chairman of the committee who, during Senate debate promised that there would be no legal or moral commitment to go to war in the coming North Atlantic defense treaty. Both are shown during the hearing before the Foreign Relations committee.

Legislators Cool On Truman Control Plan

By FRANK B. ALLEN
(I. N. S. Staff Correspondent)

WASHINGTON, Feb. 16.—President Truman's bid for price and wage control powers today met a cool reception from legislators who will handle the bill in committees.

Senate Banking Chairman Sparkman (D) Ala., said that "it would be very hard to sell the program to the country at this time."

At the same time, Senate Finance Chairman George (D) Ga., declared that "unless the government embarks on a huge spending program, greater than anything presently contemplated, there cannot be any new inflationary spiral."

House Banking Chairman Spence (D) Ky., indicated he is not more than lukewarm toward the bill by predicting passage of legislation which "will combat both inflation and deflation." He declined to comment on the president's specific proposals.

House Passes State Tax Bills

Administration's Tax Program Wins Approval By Narrow Margin

SENATE EXPECTED TO GIVE APPROVAL

HARRISBURG, Feb. 16.—(INS)—The administration's \$439,600,000 tax program headed today for smoother water in the senate after narrowly weathering a storm of Democratic and Republican opposition in the house.

The eight-item tax package, headed by the touchy penny a gallon gasoline tax hike and the controversial soft drinks levy, squeezed through house approval late yesterday with the aid of what House Minority Leader Hiram G. Andrews called an administration "deal" with Allegheny county Democrats. At all times during the close balloting Gov. James H. Duff was in contact with Republican leaders.

Expected To Win In Senate

The program, expected to win Senate approval with nominal opposition, embraces gasoline, soft drinks, beer, cigarettes, liquor, corporate net income, utilities gross receipts and another two-year postponement of the manufacturers' exemption to the capital stock tax.

Administration leaders, faced with possible defeat of the two disputed measures, won the support of Allegheny county Democrats with what Andrews called promises to support their efforts to win legislative approval for a wage tax in the county.

The gasoline bill, proposing to boost the existing four-cent a gallon levy by one cent, cleared final house approval in a 118-84 roll call vote—13 more than necessary. Party lines were crossed by nine Democrats and eight Republicans.

County Millage Rate Increased

Millage For Coming Year Is Set At Seven Mills For 1949, This Morning

After a great deal of consideration, the Board of County Commissioners today adopted the budget for 1949, and set the millage at 7 mills. This is an increase of a mill and a half over last year.

The millage for general purposes was fixed at 5½ and for institutional at 1½.

The proposed budget was fixed at \$544,350 for general purposes, and \$150,000 for institutional care.

To Make Public Atlantic Pact Says Acheson

Secretary Of State Declares "No Real Differences" On Objective Exist

STATEMENT AIMED AT RECENT REPORTS

By JOHN A. REICHMANN
(I. N. S. Staff Correspondent)
WASHINGTON, Feb. 16.

Secretary of State Acheson declared today that there are "no real differences" between the State Department and Congress on the North Atlantic pact or between the men who are drafting the proposed security agreement.

Acheson told a news conference that a text of the controversial defense pact soon will be made public to dispel confusion over details of the document.

In a formal statement, the secretary said he wanted to emphasize that "there are no real differences in regard to the objectives which this government is seeking to accomplish."

Acheson went on: "We have been proceeding on the basis of policies which have been clearly defined and which, I think, are well understood."

The cabinet members said these policies were given "clear expression" in President Truman's inaugural address, in the Vandenberg resolution which the Senate adopted last June, and in the unanimous report of the House Foreign Affairs Committee in the 80th Congress.

The secretary continued: "In conducting our discussion (Continued on Page Two)"

Speedy Verdict In Bulgarian Trials Forecast

LONDON, Feb. 16.—(INS)—The government-controlled Bulgarian radio has predicted that a "speedy, severe verdict" will be returned against 15 Evangelical ministers accused of espionage.

A Sofia broadcast, quoting the pro-communist government newspaper, last night said:

"The trial of Mindszenty and the indictment against the pastors leads to the same common source—Wall Street."

The 15 Protestant leaders were arrested on Friday, on charges of spying for the U. S. and Britain, and black marketeering. The charges against them closely paralleled the accusations leveled at Josef Cardinal Mindszenty, Roman Catholic primate of Hungary, who was sentenced to life imprisonment.

Oh list to the lad who cries out about taxes, claims that officials are wasting his dough, claims they act just like his money was peanuts, shovel it out like a mountain of snow. This lad didn't vote at the last year's election, budgets he hears of but never inspects, what let me ask can a fellow like this rate, what can a non-voting laddie expect. Taxes are high just like socks and dill pickles, voters I take it can all have their say, but why don't they vote when election day happens, weather is just 46 today.

Amerita Club
Mrs. William Manauzzi, of 1012 Summit street, received the Amerita club, Monday evening in her home.

Card playing was the pastime, high score prizes going to Mrs. Anthony Villani and Mrs. Mario Frabotta. The club token was captured by Mrs. Rudy Egan.

A delicious lunch was served later in the evening, the valentine motif being used. The hostess was aided by her sisters, Angeline and Virginia Iacobucci in serving.

Thursday, March 3, is the meeting with Mrs. Anthony Villani, Long avenue.

G. and M. Club Assembles
Mrs. W. F. Thellman and Mrs. Frank McClain were special guests Monday evening, when the G. and M. club was received in the home of Mrs. John Salmen, Atkinson street.

After sewing and fancywork were pastimes, a tasty lunch was served in the dining room, where valentine favors and an heart-shaped cake decorated the table. Miss Elsie Salmen, daughter of the hostess, and Mrs. M. Baier aided Mrs. Salmen, who presented each of the guests with a valentine.

Mrs. Raymond Peterson, pianist, pleased with several selections.

of their nearness to the bridge. Several serious accidents have already occurred in that section.

About 50 percent of people in the downtown section steer clear of a ladder on the sidewalk, while the other half either walk cautiously under the ladder or pay little attention to it. This was noted by Pa Newc this week while work was being performed on a downtown building. The superstitious type give the ladder a wide berth.

Automobiles about the city and county should emerge this coming spring in better outward condition than has been the case in the past. Very little ice on the streets during winter driving weather, has kept more of the fenders intact. Ice streets always take their toll of damaged fenders and other parts of the cars.

The war time white pennies which have been taken out of circulation by the government are still floating around in change. The dull pennies are still causing quite a bit of inconvenience in being mistaken for dimes. Very few of the Ben Franklin half dollars minted last April are in circulation.

Assistant U. S. Secretary of State Willard Thorp opened the attack by charging eight to 14 million persons are behind barbed wire in the Soviet Union.

RED CROSS FUND CAMPAIGN OPENS FIRST OF MARCH

same fine leadership that contributed so much to the attainment of last year's goal.

Budget Set At \$27,560
The budget for Lawrence County has been set at \$27,560 and Mr. Helmick said today, "I again pledge my best efforts and with the help of the county organization and the same fine support we have always had from the citizens of Lawrence County, the 1949 goal will be met. To me, said Mr. Helmick, the recently established Red Cross Blood Bank is sufficient reason alone, to go all out in the coming fund campaign—it certainly should be a source of satisfaction to every citizen of Lawrence County, just to know it is available.

England Directs Publicity
Mr. McCracken also announced today, the appointment of C. M. England, Residential Sales Mgr., Penna. Power Co., as Director of Publicity for the 1949 fund campaign. Mr. England has been active in civic and community affairs since coming to New Castle in 1930. During the war years he was chairman of special events division of the county war bond organization and is now chairman of the Lawrence County savings bond committee.

Chairman Helmick stated today that the county organization is practically complete and that division leaders will be announced within a few days. An organization meeting to launch the 1949 fund campaign will be held during the last week of February.

mittes, assailed especially the administration's wage control plan. He said:

"The business man becomes the lemon in the squeeze. The union demands an increase in wages, and after it is given the government then decides whether the business man can raise prices.

"The government would hold down the price of coal, and if John L. Lewis decides to raise the price of labor some producers will like chunks of coal in a crusher. I don't think Mr. Lewis will pay the slightest attention to price control."

Rep. Wolcott, Mich., ranking minority member on the house banking committee, reiterated his flat opposition to "any and all peacetime controls."

The administration measure would give the president standby power to set ceilings on important cost-of-living, defense or foreign aid goods.

COMPROMISES ON NEW LABOR BILL NOW SHAPING UP

(Continued from Page One)

ly supporting the compromises and Sen. Taft (R) Ohio, appears likely to go along.

It was Taft who listed the five areas of conflict two weeks ago. A rough Senate battle is in prospect on two of the five—whether to retain the Taft-Hartley anti-strike injunction, and its rigidity on all types of secondary boycotts.

Keeping the mediation service independent is a defeat rather than a compromise from the Democratic standpoint. But administration sources consider this issue already lost and are disposed to trade it for other concessions.

Organized labor also does not appear to be much disturbed over where the service is located in the government structure. AFL President William Green admitted that the closed shop, anti-strike injunctions and union lawsuits are of more importance.

The AFL chief, who heads an organization of 8,000,000 members with 107 unions, spent nearly six hours before the Senate Labor Committee Tuesday and was scheduled to return for more cross-examination today.

Taft charged Green with claiming "most extraordinary special privilege" for labor in his blanket opposition to the Taft-Hartley Act.

Green answered:

"All right Senator, but we know when a measure is striking at our heart."

Taft pounced on the union leader after Green objected to any provisions in a new law which would require unions to bargain, erect safeguards around the closed shop, make unions sueable for breach of contract, or hold them responsible for acts of agents.

splendid work they had done under her administration. Mrs. England then gave the chair to Mrs. James W. Moorehead, the president for 1949.

Mrs. Moorehead asked each Board member to let her know in writing on which committee she preferred to work. Mrs. Moorehead is well-known in New Castle both in cultural circles and in the social field where she has done an outstanding piece of work as a very successful organizer of the women's division for the Community Chest campaign.

Mrs. England has served during a particularly hard period in that personnel for program staff has been very hard to secure and also because of the eighteen months period for all committees, instead of the regular twelve-month period.

This was caused by the change of the annual meeting from May to June. This lengthened tenure of service for all committees caused an extra heavy load for Mrs. England, which she carried unusually well.

Deaths Of The Day

Miss Sydney E. Seh, aged 86, of 843 East Washington street, died Tuesday at her residence, following an illness of complications due to advanced age.

Born in North Beaver township, February 11, 1863, she had been a life time resident of this area. Miss Seh was a daughter of the late Fred and Martha Crawford Seh and was a dressmaker by occupation.

The deceased had been a member of the Second U.P. church for the past 62 years and was a member of the Houston Bible class of that church.

Surviving are one brother, Wilbur Seh, Birmingham, Ala.; two sisters, Mrs. Fred Murray and Mrs. Fred Llewellyn, New Castle. A number of nieces and nephews also survive.

Funeral services will be conducted Thursday at 2:30 p.m. from the Cunningham funeral home, East Washington at Chestnut street with Rev. Calvin Rose officiating. Burial will take place in Grace-land cemetery.

Friends may call at the funeral home at any time, while the family will be present this evening from 7 to 9 o'clock.

Rita Mae Zak

Rita Mae Zak, nine-day-old daughter of Albert and Catherine Wischerman Zak, Wampum, R. D. 1, died Tuesday in the New Castle hospital.

In addition to her parents she leaves one sister, Stella Marie Zak, at home.

Blessing services will be conducted this afternoon at 2 o'clock from St. Monica's church, Wampum. Interment will take place in St. Agatha's cemetery, Ellwood City.

Mrs. Stevenson Funeral Time

Funeral services for Mrs. Charles O. Stevenson, 9 West Madison avenue, will be conducted Friday at 2 p.m. from the W. S. Caskey funeral home, West Madison avenue, with Rev. J. L. Petrie officiating. Interment will take place in Oak Park cemetery.

Friends may call at the funeral home today from 7 to 9 p.m. and Thursday, from 2 to 4 and 7 to 9 p.m.

Mrs. Stevenson, the former Miss Catherine DeJane, who died Tuesday, resided in the Seventh Ward, of this city for 47 years. Born in Washingtonville, O., May 26, 1887, she was a daughter of Charles and Hanna Pattison DeJane.

The deceased was a member of Mahoning Methodist church and G. I. A. of B. of L. E.

Survivors in addition to her husband include three sisters, Mrs. Myra Anderson, New Castle, Mrs. Walter Fulkerson, Niles, O., and Mrs. Margaret Graham, Cleveland, O., and four brothers, Fred DeJane, New Castle, Wilbert, Manley and Charles DeJane, all of Washingtonville. She also leaves a number of nieces and nephews.

A daughter preceded her in death a number of years ago.

Mrs. Kline Funeral

Funeral services for the late Mrs. Clementine Croft Kline, were conducted from the late residence, 939 Beckford street, Tuesday at 2 p.m. with Rev. J. P. Graham, pastor of the Third U. P. church and a former minister, Rev. C. R. Thayer, officiating.

Palbearers were: Robert Harris, Charles and Floyd Romigh, Paul Marburger, Paul and Walter Barr.

Interment was in Union cemetery, Mars, Pa.

Mrs. Lapinta Funeral Time

Solemn requiem mass for Mrs. Salvatore Lapinta, 21 Franklin avenue, Ellwood City, will be offered Friday at 9:30 a. m. from the B. V. M. church, Ellwood City. Interment will take place in Locust Grove cemetery.

Friends are being received at the late residence.

Mrs. Eagleson Funeral

Funeral services for the late Mrs. Clark Eagleson, of R. D. 3, were conducted on Tuesday at 2:30 p.m. from the Russell McClelland funeral home with Rev. Charles Z. Bell officiating.

Palbearers were: Dr. Robert Brown, Thomas Brown, Dr. Gerald Fouse, Robert Eagleson, Frank Hamilton, Harold Baer.

Interment took place in Grace-land cemetery.

SOME VIOLENCE IN PHILADELPHIA TRANSIT STRIKE

he was attacked by seven men after driving two saliors to the Philadelphia naval base.

Nearly 4,000 Yellow Cab Co. and independent drivers and maintenance men met last night and "legalized" their previously unauthorized wildcat strike. They had been slated to go out officially tomorrow.

Business statisticians estimated that the walkout of 11,000 transit workers has already cost highly-industrialized Philadelphia losses of \$500,000 in earnings. Thousands of persons, many engaged in the vital foreign aid program, stayed home from work.

But most observers agreed that somehow the vast majority of workers were getting to their jobs by foot, car pools, chartered trucks and busses or on the over-burdened railroads serving limited areas.

The transport workers moved to tighten their walkout by asking truck drivers of a rival union organization to refuse to carry riders.

Probe Double Butler County Death Tragedy

Woman Suicides After Slaying
Three-Year-Old Child,
Police Say

SAXONBURG, Pa., Feb. 16.—(INS)—State police today investigated a Butler county farmhouse tragedy which claimed the lives of a 245-pound spinster and her three-year-old niece.

The bodies of Miss Christine Foertsch, 44, and Adele June Foertsch, daughter of Mr. and Mrs. Wilbert Foertsch were found Tuesday, eight hours after police said the spinster plunged a chicken knife through her niece's neck, then slashed her own throat.

On top of a powder box, near the bodies, in a second story room of the modern Foertsch farmhouse, police found a note which read:

"They tried to torture me in every way. I did not want to do this. I warned you Wilbert but you were the same to mother, too. I warned you I would clean up on you if you kept up. Wilbert, you can raise more children now."

Foertsch said his sister seemed in good spirits when the family retired about 11 p.m. Monday. The Foertschs have seven other children.

Oysters spawn between May and September, and fewer oysters are sold then in order to conserve the supply.

CHIEFS ELECT TONIGHT

Officers for the ensuing year will be elected by the Chiefs at 7:30 p.m. tonight in the United Labor club, South Jefferson street. Nominations were made one month ago. According to officials, the Chiefs now have a membership of more than 350, and was formed for charitable purposes.

BABY IS SCALDED

Little Donald Rae Boston, aged 20 months, of 446 Neshannock avenue, was treated at the Jameson Memorial hospital late Wednesday morning for injuries sustained the evening before, when he suffered second degree burns of the left foot from scalding hot water in his home.

Students Enjoy Valentine Event

Miss Rita Rogan was hostess to a group of Union High School students at a Valentine party, Saturday evening at her home on Moore avenue. Games, music and dancing were the diversions of the evening. The room was splendidly decorated in Valentine motif for the occasion with the table centered with a Valentine heart. Placements were arranged for 18 guests at a large table where delicious refreshments were served at an appropriate hour.

In View Of News Of The World

By J. C. OESTREICHER, INS Foreign Director

Reports are current today that Soviet Russia is considering a unilateral "solution" of the Berlin crisis by the expedient of withdrawing military government officials from the bombed-out city.

But little hope is held out that such a move actually will contribute to peaceful solution of the east-west dispute and the question naturally arises as to the Kremlin's real intentions.

The reports from Berlin merely state that the Russians will move to the town of Muencheberg, 25 miles east of Berlin and deep within the Soviet zone of Germany.

This presumably will be accompanied by progressive withdrawal of Soviet occupational forces, leaving maintenance of order in the hands of Soviet-trained eastern sector police who also will make the necessary arrangements to ensure that no impediments are placed in the way of communist propagandists.

Tacit Admission
At best, the move is seen as a tacit Soviet admission that the steady rise of Democratic public sentiment in the west has ruled out the chance of a completely communist-dominated city.

At worst, it is regarded as a maneuver to be followed by proclamation of an entirely separate communist east German state, which will be absorbed completely into the Soviet orbit.

Operating from an isolated town like Muencheberg instead of Berlin, the Russians will be able to prepare their various programs and carry them out far beyond the reach of allied observers.

This could be a distinct handicap from the western powers' point of view.

While even a vestige of four-power command remains in Berlin, the United States, Great Britain and France are well able to cneck on all Soviet practices and at least make a paper protest in event of outright violation.

Storm of Protests
There has been a literal storm of such protests already, ranging from harmless but illegal blockade steps all the way to stung flying and anti-aircraft firing in the allied aerial corridors leading to Berlin.

Such protests rarely have had any effect but at least they were put into the records. If and when the Soviets move out of Berlin, critical documents can be pigeon-holed or scrapped without difficulty.

Information available at this time indicates that the Soviets' first step will be to announce establishment of a so-called "people's council" which is to be the nucleus of the eastern German state.

It doubtless will be composed of communist stalwarts alone who will draft for eastern Germany a constitution and a program identical with those of Hungary, Czechoslovakia and the other satellite states.

The measures to be taken obviously will include disowning all decisions made by the allies-supported west Berlin city assembly and will reaffirm what the Soviets insist is the sole legality of the communist-dominated "rump" assembly in the east.

Militant Action
Then will come a program of militant action to make the cleavage between east and west final and complete, with no framework whatever left for ultimate cooperation.

This of course leaves the allies

The Parent Problem

By Garry C. Myers, Ph. D.

WHEN CHILD IS "PLAYING SICK"

Scientific researches have revealed that hampering emotions can cause all sorts of physical disturbance in the digestive tract of a child or adult. You yourself may feel disturbance in your tummy if, while eating, you are worried, excited or upset. Lots of stomach ulcers are attributed by medical science to emotional causes.

When we consider all the hampering emotions thousands of young children have in connection with food and eating we can understand why so many of them complain of a tummyache at mealtime or after eating, and why some children forced to eat, thanks to the emotional strain involved, may actually vomit why some of these children may feel ill on a school morning, especially when some unhappy experiences are connected with schoolmates and the schoolroom.

Lots of problems on school mornings have been developing in the child in connection with his meals or his playmates or both for years before he entered school.

Careful Check
Of course it is always wise to have a careful check by a physician, as the mother had for the child described in the following letter which a grandmother writes of her granddaughter six years old:

"For about a month she has been complaining of her stomach hurting and quite often says her head hurts. My daughter has taken her to one of the best pediatricians in our town (he has been caring for her since birth) but the physician finds no physical cause.

"These little 'spells' seem to come on just about dinner time or when she isn't hungry. My daughter has taken a better view of it than I have but I think that I would feel better if I had the word of some one who has been dealing in child psychology. Her parents seem to think that the little tricks are pulled to keep from being made to eat. Do you think that possible? After dinner or any meal, most times, she will get up and romp and play normally. I would hate to see treatment neglected if it were needed."

Deep Concern
I replied: It is easy to understand (Continued on Page Seven)

no choice but to proceed with their western German constitution and west German state on which the democratic leaders of Germany have been laboring for weeks in the old university city of Bonn.

The unknown factor is whether the Russians are willing to abandon Berlin entirely from a military point of view and how they will be able to escape any possible loss of prestige entailed in such a move.

They, of course, can present military withdrawal as alleged "proof" of their readiness to allow the German people to recover and rehabilitate themselves voluntarily instead of under the menace of Soviet guns.

But it is difficult to see the Russians give up completely and for all time the city for which they fought so bitterly and where so many Soviet soldiers died. If so, it only will be because they are convinced that their propaganda machine is so strongly entrenched they can risk the gambles involved.

Looking At Life

NOTICE: Isia Isabella having proved unfaithful to me I shall no longer be responsible for her actions.

I had intended to insert this notice as a classified ad in every one of the newspapers that publishes my column. But why pay for it when this way I can get it in for nothing?

Some time ago I gave Isia some nice publicity in this column.

I told you that if the brown stripes on her back were wider than the black ones it would be a mild winter. When she came to our house late last fall, Isia's brown stripes were decidedly wider than the black ones, and I not only told you that it would be a mild winter but I, myself, prepared for that kind.

Well, you know what happened in California and Montana and Nevada and other places.

But there was an excuse. Perhaps Isia does not go to those states.

But she did come to my place and to many other places in the East.

Oh, before I forget it, Isia Isabella is not a girl, but the caterpillar of the iser moth, popularly called the Woolly Bear.

I used to call her Woolly Bear, too, but since she has let me down I am hereafter going to be strictly formal and call her only by her professional Latin name.

Here is what this Isabella person has done to me:

I have told you how royally the Guys entertained me when I visited them in Lubbock two years ago, and how anxious I was to return some of their hospitality.

So, relying on Isia Isabella's brown stripes I wrote them "Come on. Stay with us a while. We are having a wonderful winter. We will drive you around and show you New England. Our state isn't as big as Texas, but it is a gosh darn nice little state."

The morning of the day the Guys were due, it started to snow. It snowed and snowed and it blew and it blew. By the time their train arrived it was almost a blizzard.

We had to put chains on our car. We had to lend the Guys some gaolches just to be able to get around.

And instead of showing them New England, all we could do was to show them Arthur Godfrey, and a terrible prizefight, on television.

I want to tell Grace and Charley Guy right now that the whole thing wasn't a frame-up and that, any time they care to, they are welcome to come back and stay a month.

But Isia Isabella—I'm off her for life.

From Me To You
By MESEALL

Each and every day . . . the problem concerning auto traffic is becoming more and more complicated. It's time that a concentrated effort is made to do something constructive to help solve this problem . . . not only is this feeling strong here in our community but in most every community throughout the United States.

Education is needed . . . and not only does the man or woman who operates a car needs to be educated but the man, woman and child who walks needs education . . . When the Boy Scouts were in charge one day last week many people were surprised when they crossed a street (not at a cross walk) to receive a little ticket . . . telling them they were wrong in doing so . . . some of these people were very indignant . . . they just couldn't seem to understand why it was important to use the cross walks . . . and to watch the traffic lights.

Once there was a traffic campaign put on here . . . which included a traffic courtesy car . . . A car with a loud speaker attachment . . . when anyone walked across the street (jay walking fashion) they were singled out by the loud speaker. It made some people stop and think. When a motorist did something wrong in the downtown traffic pattern . . . he was also notified and sometimes by letter . . . Not a summons, but a letter saying that on such and such a date, and such and such a time the operator of a particular car pulled a boner in downtown traffic.

We are making progress on the driving problem . . . the AAA Driving Course that many adults and high school students have taken, and are today taking, tends to make safer drivers . . . A traffic squad of local police has been authorized. With this squad properly instructed and a safety campaign . . . there is great possibility that we here in New Castle can have a good traffic record the balance of this year . . . and in years to come.

A little bird told us that some of the civic groups of our town are definitely interested along with the Truckers . . . If this is true . . . let's all get together and get the ball rolling.

Amnesia Is A Strange Disease

Washington Calling

(By Marquis Childs)

National Health Insurance

WASHINGTON, Feb. 16.—The health plan presented by the American Medical Association is tragically late. It is an eleventh-hour death-bed conversion, and because it is that the sincerity and the intention of the AMA will be questioned.

The plan was made public as the Truman administration is working on a comprehensive national health insurance scheme to recommend to Congress. The health insurance bill will go up to Capitol Hill in the near future with the president's okay.

While they have heard propaganda on both sides, and particularly from the AMA, most Americans know little about health insurance. Whether there is any real sentiment in the country for such a wide-spread program is doubtful.

But what most Americans do know is this: Medical care is so costly that in any adequate form it is beyond the reach of millions. The very poor in cities where there are free clinics and free hospitals can be cared for without cost. The rich can pay their doctor and hospital bills.

Middle-Class Problem
In between is the broad band of middle-class Americans for whom a long illness may mean ruin. For millions too proud to accept charity medical costs are prohibitively high. These are the Americans who have looked hopefully for some

decent and honorable plan that would give them medical care at a price they could pay.

One method is the prepaid group medical care plan. Families formed in voluntary groups each pay a fixed sum per month to cover doctor and hospital bills.

But the AMA has not encouraged such plans. The public has had the impression that the Medical Association has set itself against any change. Such a reasonable man as Gov. Earl Warren has been denounced for his proposed California statewide health insurance plan.

In the absence of any concerted movement for a gradual betterment of health standards and a lowering of medical costs on co-operative or group basis, a federal measure was certain to be put forward. The tragedy is that the AMA might have pioneered in discovering a grass-root, voluntary, truly American way to meet the problem.

Attacks Federal Plan
Instead until the 12-point health plan of this week, the AMA has devoted its resources to attacking federal health insurance as socialism. Agencies such as the National Physicians Committee, which was endorsed by the AMA House of Delegates at the St. Louis meeting in December, have stooped to dubious and what might even be called un-American propaganda.

One example is the letter sent to all Protestant ministers and addressed to "Dear Christian America." Apparently through a blunder it was later sent to Roman Catholic clergy and to Jewish rabbis and produced a violent reaction. One passage in this extraordinary letter says:

"To the Christian who believes in the sanctity of life, nothing could be more dangerous than the spectacle of politicians arbitrarily juggling the birth rate, through the application of propaganda or compulsion by means of an abuse of political medicine. Once power over all medical services is concentrated in the hands of a few

LONDON—Halvard Lange, Norwegian foreign minister: "The basic intention of the Atlantic pact is to stop Russia from going to war and it must be made plain to Russia that any military adventure by Russia would mean war."

PALM SPRINGS—Count Carlo Sforza, Italian foreign minister: "The (new Marshall plan) meeting will show that Europe is in the process of becoming a political and economic unit."

ERS UPON A TIME
ELLEN DREW, motion picture actress, once supported herself and her mother on the \$10 she earned weekly as a clerk in a Chicago department store. This was when Ellen was 16. When it was discovered she was under age, she was promptly fired. However, she won a beauty contest and went to Hollywood, but had to get herself a job as waitress as she found beauty contest winners were plentiful in Hollywood. Ellen's first important role was in "If I Were King." Ellen was born in Kansas City, Mo., and was previously known as Terry Ray.

The True Deal, M. D.

By PAUL GALLICO

WASHINGTON, D. C., Feb. 16.—One way to tell a quack doctor from a real doctor is to note how they react to a patient who unaccountably gets well. The same test surely can be applied to governments. It's too early to say whether the Tru Deal is disappointed or pleased over current signs that the nation may be recovering from inflation. But it's an interesting situation to watch.

Your quack doctor, of course, has two standard ways of tossing aside symptoms of the patient's returning health. First, he denies that the symptoms mean what they seem to mean. Next, he wags his head dolefully while reciting other still more horrid tokens of illness and of advancing death.

I once called in a medical fraud (quite by accident, I swear) to look at a lady-guest who was about to leave our home after a substantial visit. The medical swindler said that she couldn't possibly be moved from under his care, that she would die on the train, that her blood instead of his fees would be on all our heads if she budged out of bed. The little fraud flew into a tantrum and almost suffered a stroke when I called another doctor who bade the lady to rise and walk. That was 15 years ago and, happily, she is still in the prime and vigor of life.

Looked Much Too Unhappy

Maybe what follows is a non sequitur, but Leon H. Keyserling and John D. Clark, the President's economic advisers, looked much too unhappy the other day when answering questions about the fall of prices. It didn't mean much, said Keyserling, in terms of national economy. Even if it helped the housewife, he added, there were many other proofs that the country was economically sick and in dire need of Tru Deal medical attention. Production hadn't increased enough under private enterprise, said Clark, and there ought to be a regulation of profits. We could have an 800 billion dollar depression, said Keyserling—unless Congress enacted the Tru Deal economic program. Both gentlemen, it seemed, protested too much to be very convincing.

Down the hall a bit, in another committee room, Secretary of Agriculture Brannan, a Tru Deal man, was trying to explain the Tru Deal definition of a "surplus" in wheat. There had to be a surplus, he said, before the government could buy domestic wheat for export under the Marshall Plan. The government is doing this almost daily. But, continued Brannan, the 300 million bushels of "excess" wheat now on hand did not constitute a surplus. Republican Senators Thye (Minn.) and Young (N. D.) found it impossible to follow this logic. Was there a surplus or wasn't there a surplus? Brannan was trying to answer by saying yes and then again no. It was a puzzling performance.

Needs Certain Conditions

Quack or genuine, the Tru Deal can only operate in certain conditions of economic climate. There has to be a permanent, built-in crisis. If there isn't, why give Mr. Truman emergency powers to construct government steel mills, to control prices, to limit profits?

Unless we need the money desperately, why a 42 billion dollar budget and four billion dollars in new taxes? Unless the faithful farmer is in a real jam, how can the Administration have the face to adjust parity payments in his favor? If it isn't a fact that the American working man is rattling the chains of a slave law, why all the commotion about repealing the Taft-Hartley Act?

Oddly enough, the Tru Deal also needs national prosperity in order to do its stuff. Good times are necessary if labor is to get repeated rounds of wage raises. Profits must flow into the tax barrel if the government is to house, educate, medicate and insure the population. Private industry must boom if the Administration is to have money for public projects.

Glad To See Recovery

The good physician is glad to see his patient return to something like normal health, even without dosage or surgery. Such a doctor welcomes the accident of a miraculous recovery. He would rather be wrong about his original diagnosis than right about predicting a fatal illness. It may be premature to suppose that the price-break is a sign of returning health, but it is a cheerful sign and the good physician would smile and be happy over it.

Perhaps the Tru Deal brain-trusters will be delighted if the country for which they have been trembling suddenly turns healthy and normal. Maybe they will scrap the emergency programs and decide that we don't need new taxation and a planned economy. But seeing is believing. I have lived this long without seeing a political reformer give three cheers because things are better than he thought. Most of them prefer to go on playing the patient with emergency treatment. This is one way to make sure that he never gets well. (Distributed by McNaught Syndicate, Inc.)

BIBLE THOUGHT

Then he answered and spake unto me, saying, This is the word of the Lord unto Zerubbabel, saying, Not by might, nor by power, but by my spirit, saith the Lord of hosts.—Zech. 4:6.

The World and the Mud Puddles

DIFFERENT WHEN RICHELIEU WAS CARDINAL

If Cardinal Mindszenty had lived in the age of Cardinal Richelieu, things would have been very different. Soviet Russia would have had a hard time of it. The penalty would have fallen pretty heavily upon Stalin and all of his crew. They would have been excommunicated from the Roman Catholic church before this, with all the bans and penalties.

Cardinal Mindszenty is a Hungarian and it is said he was the leader of about seven million Roman Catholics in Hungary. He was singled out by the Soviets as being a political adventurer. As such he was charged with being a traitor to Hungary. Outside of Russia little is known about the alleged facts that developed at the trial. It was a strict repetition of former affairs of this kind. The Soviets have no use for the Roman Catholic church or for any church. They look upon all Christianity very skeptically, to say the least. The Cardinal is evidently just as much opposed to the Soviets as the Soviets are opposed to Christianity. It is just another phase of the Soviets' determination to crush any church, and every church whose members or leaders should work of the Soviets—it is rule and ruin. This is very hard to understand from a political standpoint. The communists of the Roman Catholic church in Hungary constitute nearly the whole population, which is true of nearly every European country. The great mass of the people—the common people and the aristocrats—are all Romanists.

It is said that they treated the Cardinal before the trial very badly. It is a question whether life (Continued on Page Seven)

MAN AT HIS WORST

In the ballroom he is gracious; at the table he's polite,

Wouldn't grab the salt and pepper from the lady at his right.

He wouldn't jostle women when in front of him they are, But he's altogether different when he's driving in his car.

At a ticket-window line-up he will always patient be.

To the stranger who approaches none more courteous is than he.

And the pleasure of a party with loud boom he'd never mar, But he's quite a different person when he's driving in his car.

It's a curious change that follows when he sits behind the wheel.

His voice becomes as raucous as the brake bands when he squeals.

And he screams a bit of language never taught in English class.

At the driver, man or woman, who attempts his car to pass.

He risks his life, and others, by the way he cuts and swerves.

The friends he takes out riding end the trip with jangled nerves.

He's a very pleasant fellow when at home or when afar, But he loses all his manners when he starts to drive his car.

imprisonment in a Soviet prison would be worse than execution. It is said that he expects to appeal to the highest court in Hungary. Well, that won't get him anything. The court will probably sustain the lower court and insure a continuance of pain and punishment, worse than that inflicted by the Spanish Inquisition of the Middle Ages. The treatment meted out by so-called Soviet justice upon religious prisoners is something terrible to contemplate. The whole performance shows how determined the Soviets are to put their form of dictatorship into power—the most terrible form of government the world has ever known. Hitler's punishment of the Jews was nothing compared to what the world can expect from Stalin's and Molotov's regime. The acts practiced by the barbarians in the jungles of Africa and Asia and the South Sea islands are pleasant compared to the acts of the followers of the political powers in Russia.

THE PARENT PROBLEM

(Continued from Page Four)

your deep concern about this child. But as she has been carefully checked by the physician, the interpretation of her parents would seem plausible.

But they have caused the trouble, since they make her eat. It's rather fortunate for that youngster that she has hit on a way to escape their torture. I wish they would do as follows: Quit commanding her to eat or even showing any concern about her not eating, especially at breakfast, but prepare a sandwich or two for her to take along with

her to school to eat if she should get hungry before lunchtime.

If the parents can discipline themselves to show no emotions over her eating any meal, she should be eating heartily after a few weeks and should have no tummyache, provided there are no disturbing factors related to school. By and by, if all adults of the family are well under self-control, and she still is wholly avoiding certain essential foods, the mother might announce calmly to this girl that at the beginning of a meal she will have a very small portion of "this food," that she does not need to eat it, but that if she does not she may have no other foods till the next regular meal. In the meanwhile, there should be lots of lolling at meals, smiles and laughter and interesting conversation, with the radio silent. bureaucrats, it would be inevitable that—sooner or later—they would misuse it to establish "quotas" for the baby crop in the same way that the agriculture de-

partment theorists set "quotas" for farm production.

In a special note to members the National Physicians Committee said that the mailing of this "Dan Gilbert Washington Letter" had come out of "conferences and contacts extending over a period of two years." The doctors were advised to take it up with "your minister and the editor of your local newspaper."

Not Consulted

AMA representatives say the association was not consulted at all about this letter. They seem to realize that this kind of propaganda can do far more harm than good.

The AMA is seeking to raise a fund to fight the administration proposal by levying a \$25 assessment on each of 140,000 members. There are growing signs of resistance to this assessment. Many doctors are acutely aware of the trouble their patients have in meeting medical costs.

Like the average middle-class American, they would go for a sensible proposal having as its base a voluntary and independent association of doctor and citizen. The Republicans are coming up with their own health and medical plan. They have a magnificent opportunity to show that the choice is not between do-nothingism, clinging to things as they are, and on the other hand, a federal blanket covering all of medicine. Herbruck To Speak To Personnel Men

Charles G. Herbruck, assistant to the secretary of the Lincoln Electric company, Cleveland, O., will be the speaker at the regular dinner meeting of the Western Pennsylvania Personnel association to be held in The Castleton hotel on Friday, February 18. Mr. Herbruck is a graduate of Princeton university, and after two years of newspaper work, he started with the Lincoln Electric company. The employee relations program of this company is regarded as an outstanding one in industry, particularly the incentive plan feature. Mr. Herbruck has done considerable writing and speaking on this subject for the past two years and has worked closely with Mr. Lincoln in publicizing his ideas on the subject. His subject will be "Incentive Plans and Their Effect on Employee Relations."

Vaccinate Employees Of Weirton Plant

WEIRTON, W. Va., Feb. 16.—(INS)—Hancock county health officials supervised vaccinations today at the Weirton Steel company plant here after a tin mill worker was stricken with smallpox. Already more than 1,600 of the firm's 2,100 employees have submitted to vaccination. Under West Virginia law all such inoculations must be voluntary. The alternative to compulsory shots is quarantine. The victim of the dread disease is an unidentified Steubenville, O., man who physicians said was not suffering from a serious case. The man was stricken four days ago.

Veneering is an art which has been carried on for at least 3,500 years.

GRANGE NEWS

East Brook Grange

Members of East Brook grange had their regular meeting in their hall on Monday evening, with Master J. E. Oesterling in charge. The following committees were appointed for 1949: Home Economics, Mrs. Charles Cornman, Mrs. A. T. Jennings and Mrs. Kenneth Kauffman; Ways and Means,

A. T. Jennings, David DiSalvo, and Miss Flora Nessel. The literary hour was devoted to discussion of building plans. Liberty grange will present a play entitled, "Father Goes Domestic," at East Brook high school Thursday evening, February 17.

A nice lunch was served by the hosts, Mr. and Mrs. Charles Bal-law, Mr. and Mrs. E. C. Bowden, Mr. and Mrs. Walter Brunton, Mrs. Lucille Henderson and Lloyd Bradley.

Willard grange will present its

play on February 28 at East Brook High school. The next regular meeting of East Brook grange will be Monday, March 14. Hosts will be Mr. and Mrs. Charles Cornman, Mr. and Mrs. Harry Copper, Mr. and Mrs. John Copper and Mrs. Claire Cook.

To Give Play
New Bedford grange will present a little theatre play at Westfield grange, on Thursday evening.

Drive Slow—Children Move Fast.

Mr. and Mrs. George Richardson of Wilmington avenue, were guests of Mr. and Mrs. Howard Bach, Brighton road, Pittsburgh on February 12 at a party in honor of Mrs. Richardson who celebrated her birthday.

Mrs. Elizabeth Brady of Hutchinson street, who has been receiving treatment at New Castle hospital, has been taken to the home of her sister, Mrs. Mont Richards, of 802 Blaine street, for recuperation. She is somewhat improved.

ASKS FOR INFORMATION
Miss Arletta Le Valley, Shick-
shinny, Pa., wrote Police Chief
Robert D. Hanna in which she
asked aid of authorities in locat-
ing her mother, Mrs. Letha J. Le

Valley, who left Shickshinny in
early October last year.
The daughter received a post-
card from her mother postmarked
"New Castle."

The mother is described as fol-
lows:
Age, 36; height, five feet, five
inches; build, small; eyes, brown;
hair, short.

Associate Pastor Called To First Christian Church

Former Army Chaplain From
Texas Will Assume Duties At
Downtown Church March 1

ARTHUR D. WENGER
First Christian church on the
Public Square has called an as-
sociate pastor, Arthur D. Wenger,
pastor of the First Christian church
of Arlington, Texas, to assist Dr.
G. S. Bennett in his duties here.
Mr. Wenger will not only assist in
the regular ministry of the church
but will develop a strong work
among the church youth.

The youthful pastor will assume
his duties here on March 1 and
will preach his first sermon in the
pulpit of the downtown church on
March 6. He will be accompanied
to this city by his wife and two-
year-old son.

Mr. Wenger was born in Aber-
deen, Idaho, and completed his el-
ementary and high school training
in the schools of that city. He com-
pleted the work for his Bachelor
of Arts degree in Bethel College,
Newton, Kansas, in 1941. He has
had one year of graduate work in
the San Francisco Theological Sem-
inary and completed his work for
the Bachelor of Divinity degree in
Brite College, of the Bible, Texas
Christian University in June 1948.

Chaplain in War

Dr. Bennett's associate was pas-
tor of a church in California for
two years preceding his enlistment
as Chaplain with the Armed Forces.
He served with the army in France,
Belgium, Luxembourg, Germany
and in Austria. Before enrolling for
work in Brite College of the Bible,
he served as educational director in
the First Christian church, Newton
Kansas. While enrolled in Texas
Christian University, he served as
student pastor of the church in
Hamilton, Texas.

Mrs. Wenger was born in New-
ton, Kansas, and graduated from
Bethel College with the class of
1941. She enrolled for graduate
work in the University of Denver
and had one year training, special-
izing in speech and Dramatic Arts.
She has had five years of teaching
experience, four of which was in
a senior high school. She was mar-
ried to Mr. Wenger in 1944.

Members of First Christian
church are well pleased with their
selection of Mr. Wenger and his
talented wife to work among the
members and the youth of the
church in the coming days. The
appointment of Mr. Wenger will
relieve Dr. Bennett of his many
diversified duties which he has
been undertaking in the past.
Already committees have been
set up to plan a reception for the
family and an installation service
for Mr. Wenger.

SOCIETY & Clubs

CLUB DEPARTMENT HAS GUEST SPEAKER

Ladies of the International Relations Department of the Woman's Club met in the home of Mrs. John E. Elliott, 314 Berger Place, Monday afternoon, at which time Mrs. Joseph Hartman, chairman of this department presided.

Mrs. Hartman introduced Mrs. Alice Samuels, who in turn introduced J. C. Cavill, president of the New Castle Chapter of the United World Federalists. Mr. Cavill spoke on our need for a strong World Federalist Government. While he could be had only by amending the charter of the United Nations. He closed by commending the work and interests of the Women of the International Relations department, for only through the interests of public opinion can a world peace be attained. There was an animated question and answer period following Mr. Cavill's speech.

Mrs. Hartman then reported on the project of the department. A large number of seed packets of vegetables and a few flowers are being sent to the children overseas. Mrs. Hartman also suggested the ladies save brightly colored buttons and to string them to be sent overseas, where materials are being sent to make clothes but where there is a scarcity of ways of holding those materials together.

Mrs. Frank Fehl told of the work being done by a Junior Department of one of the churches in this city. The children in that department have sent money to buy food and clothing for the children of Europe. She pointed out what children can do to strengthen international relations.

Tea was served with Mrs. C. R. Brenner, president of Woman's Club pouring. Hostesses were Mrs. Elliott and Mrs. T. F. Stryker.

The next regular meeting of the department will be in April, in the home of Mrs. J. Clyde Giffillan, 414 Glenmoore Blvd.

The ladies will meet March 28, in the Y.W.C.A. at 2 o'clock p.m. to paste pictures of American life in scrap books to send to the children of European countries.

Auxiliary To Meet

Ladies Auxiliary of the Harry L. McBride Post 522 will meet, Thursday night at the Post home, on Grant street.

At 7 o'clock, just preceding the meeting, there will be a demonstration of household articles. Following the business meeting there will be a social.

Past Grand

Past Noble Grand of the Emeline Rose Rebekah lodge met with Mrs. Julia Miller, 116 South Ashland avenue, Tuesday evening. Following business, games were played with prizes awarded by Mrs. Josephine Hoover and Mrs. Marie Roof. Lunch was served by the hostess aided by Mrs. Blodmen Davies.

QUEEN ESTHERS SEE PLAYLET

Members of the Queen Esther Circle of the First Methodist church met in the church parlors Tuesday evening.

Devotions were led by Mrs. Leonard Cramer and Mrs. Ralph Shiner presided over the business meeting.

A playlet, entitled "The Professor Goes Haywire" and directed by Miss Clara Hartstuf, was presented by a group of senior high school students.

Refreshments were served by the committee composed of Miss Mildred Sargent, Mrs. Leonard Cramer, Mrs. Earl Buzzard, Mrs. Arch Cramer, Mrs. Ruth Bruce, Miss Neva Moore and Miss Margaret Elbey.

Stitch-A-Bit Club

Mrs. Mate McKim and Mrs. Clarence McHattie were awarded tokens for cards Monday evening, when Mrs. Leroy Book, Willowbrook road, entertained the Stitch-A-Bit club in her home. Mr. Book and Daniel Zoltani were special guests.

Miss Marjory Book aided her mother in serving tasty refreshments at the dining room table, decorated with red roses and valentine appointments.

Mrs. Mate McKim, Portersville, R. D. 1, will be hostess at her home in two weeks.

Bu-Pi-Gar Club

Bu-Pi-Gar club held its annual valentine party Saturday evening with guests as guests. The group attended a local spot of entertainment and later enjoyed a full course dinner in a tearoom.

Girls made valentines for their escorts and these were used to mark places at the table.

Those in charge who made the evening a success included Mildred Pelasco, Delores Francis and Alvera Jannetti.

This evening the club will meet with Clara Maciarella, Division street.

DR. DAVIS SPEAKS AT CHILD CIRCLE

Guest night was observed Tuesday when the Child Development Circle assembled in the home of Mrs. Robert Gibson, Northview avenue.

Timely and instructive was the talk given on "Cancer" by Dr. Mary Baker Davis, who was introduced by Mrs. C. T. Phillips, president. A moving picture, shown through arrangements with the Cancer society by Clay Aubel, of the Pennsylvania Power company, was an added feature. Mr. Aubel also showed a travelogue on "The Hawaiian Islands."

Using the alentine motif, Mrs. Gibson and Mrs. Howard Boalick, co-hostess, served a tray lunch. Mrs. Harold Glenn, Walmo, will receive the group in her home Tuesday evening, March 15.

LOCAL COUPLE WED FIFTY YEARS

Open house was held from 2 to 9 p.m. Sunday afternoon in the home of Mr. and Mrs. Sam C. Wood of East Meyer avenue, in honor of the latter's parents, Mr. and Mrs. Edward Houston, who observed their golden wedding anniversary.

There was a dinner served for 45 guests at noon, at a table beautifully appointed and centered with a large wedding cake decorated in gold.

Following dinner there was open house at which time many friends of the honored couple called to give their best wishes. The honorees were the recipients of many lovely gifts and floral pieces.

Mr. and Mrs. Houston were married in Mercer, Pa., in February 1899. They are the parents of two children, Mrs. Adria Wood, with whom they reside, and Dwight Houston of Hillcrest avenue. They have three grandchildren. Mr. and Mrs. Houston have resided the majority of their married lives in New Castle.

For each 100,000 men examined during the last war by selective service, 340 were rejected with rheumatic heart.

The worst flood in the history of the world so far as loss of life is concerned and of which there is any authentic record, was the overflowing of the Hoang-Ho in China in 1887, in which the loss of life was estimated at 1,500,000 to 7,000,000 people.

Lions Members In Business Session

Reports On Activities Are Discussed At Meeting Tuesday Noon

President Henry Broad presided at a business meeting when the Lions club met in The Castleton, Tuesday noon, and a review of club activities was given by the chairman of the various committees. It was reported that their last financial activity resulted in a profit to the club of around \$3,000, which will be used in wiping out some indebtedness and give the club around \$2,000 for their blind activities and other projects. J. J. Gruenwald of the New Bedford was a special guest and invited club members to visit the live new club in the western suburb. L. G. Kramer of Pittsburgh was also a special guest.

Rachel Rebekah Lodge Meeting

Members of the Rachel Rebekah Lodge No. 4 met in the I. O. O. F. hall on Monday evening. The business session was conducted by the noble grand, Mrs. Betty Lee Walters.

Plans were completed for the spring country fair to be held in the hall Monday evening, March 28. Mrs. Eva Drumheller will be general chairlady for the occasion and the following committees were appointed: art goods, Mrs. Anna Hawk, chairlady, Mrs. Sadie Smith, Mrs. Nellie Tribby, Mrs. Jenny Thompson and Mrs. Susie Gillespie; candy, Mrs. Viola Nelson, chairlady, Mrs. Cora Fisher, Mrs. Margaret Brooks, Mrs. Jane Smith and Mrs. Lillian Sumner; bake goods, Mrs. May Earle, chairlady, Mrs. Ola Gilkey, Mrs. Kate Withers, Mrs. Mary Patterson, Mrs. Helen Gordon and Mrs. Anna Boyd; country store, Mrs. Mildred Campbell, chairlady, Mrs. Pearl Jones, Mrs. Mabel Wright, Mrs. Charlotte Phipps and Mrs. Charlotte Conley.

The next meeting will be Monday evening, February 28, in the I. O. O. F. hall at 7:30 at which time there will be a drill practice.

AKRON, O. — "Pennies for thoughts" is more than a figure of speech at the B. F. Goodrich company. During 1948 a record \$50,182 was paid to alert workers for 2,513 safety and time and labor-saving ideas.

STUBBLE
When a field of wheat or corn has been cut and harvested the stubble is left. It does not grow any more.

When hair is cut short or shaved off there is stubble left. It grows pretty soon.

Sometimes hair grows where it is not wanted. Girls do not like to have hair on their face nor on their legs.

They try all sorts of ways to get rid of it. They rub it off and burn it off and put chemicals on it. Sometimes the skin gets sore.

Probably the best way is to shave it off. Shaving does not cause the hair to grow thicker or heavier or darker or lighter.

Grand dad has shaved his face every day for many years. The bare places are there just the same as ever.

ALPHA GAMMA DELTA HAS SPECIAL GUESTS

Mrs. Dean Staley of North Mercer street entertained members of the Alpha Gamma Delta sorority Tuesday evening, at which time Mrs. C. F. Hildenbrand of Baltimore, Md., the National Visitor, was honored as a special guest.

A routine business meeting was held after which the meeting was turned over to Mrs. Hildenbrand, who talked to the group on subjects pertaining to the work of Alpha Gamma Delta, both locally and nationally. Mrs. Hildenbrand has been staying with the under-graduate group in New Wilmington and has divided the time of her stay between that group and the alumnae group in New Castle. She will go from New Wilmington to Meadville to visit the girls of the Kappa chapter of Allegheny college.

Mrs. E. B. Russell, a chapter patroness, of New Wilmington, was a special guest. Other special guests were the Misses Peggy Lee Reed and Jean Bashar of Mercer, the latter a new member of the alumnae group.

Refreshments were served by the hostesses, Mrs. Edward Grotendorf, Mrs. William Bessell and Mrs. H. F. Whitman.

The next meeting will be March 22 in the home of Mrs. Robert Layman, Tulagay Way, who will have as her committee Mrs. John Boyler, Mrs. A. H. Borland, Mrs. C. Jones and Mrs. Joseph Hartman, Jr. Chapter pledges will be special guests at this meeting.

McILVAINE GUILD

HEARS BOOK REVIEW
Members of the McIlvaine Guild of the First Presbyterian church

met in the home of Mrs. Paul Wilson, of Highland avenue, Tuesday. Mrs. Marshall Matheny led the devotional period after which various projects for money making were reported. It was decided to hold a rummage sale sometime in the near future.

Mrs. Graham McEntire was a special guest.
Mrs. Oscar Riley introduced Mrs. Samuel Staats, who gave a book review on "Cleft Rock" by Alice Tinsdale Hobart. Mrs. Staats is very competent in giving a book review in an interesting and pleasing manner. She was received enthusiastically.

The committee in charge of this meeting was made up of Mrs. Paul Wilson, hostess, Mrs. T. M. Love, Mrs. Layte Arlington, Mrs. Arthur Guy and Mrs. L. Merle Birney.

The committee announced for the March meeting is Mrs. Kenneth McLure, Miss Jean McLure, Mrs. W. E. Goodpastor and Mrs. Robert Gordon.

The American Museum of Natural history, New York City, was founded in 1899. The building is one of the largest municipal structures in the city. It has 23 acres of floor space, 13 of which are devoted to exhibits.

Commissioners Fail To Reach Final Conclusion Of 1949 Budget And Millage

OTHER NEWS OF
COURT HOUSE HILL

It was announced today by the county commissioners that final work on preparing the 1949 budget has not as yet been completed, so announcement of the 1949 millage will not be forthcoming for a few days yet.

Retirement pay for county employees and other problems are causing the commissioners plenty of headaches.

HUNTING LICENSES UP

Although no official word has been received by County Treasurer Don I. Neal, unofficial reports from Harrisburg state that hunting licenses will be upped from \$2 per tag to \$3.65 this year. This is expected to cut down on the number issued, and will improve hunting conditions in the state.

OPINION HANDED DOWN

In an opinion handed down by Judge W. Walter Braham, in the case brought by James DeMauro and Tina DeMauro against Donald W. Bovard in an amicable action in ejectment, confession and praecipe, Judge Braham handed down an opinion that the petition brought by the defendant, Donald W. Bovard, to open judgment is overruled and refused at the cost of the defendant.

According to the testimony brought out in the case, the DeMauros had purchased a piece of property from David Cartwright, who had leased a portion of the building to Donald W. Bovard, although at the time of sale, the latter who had been conducting a restaurant in the structure, had ceased operation and had removed his sign. When the DeMauros found out who their tenant was, they entered into negotiations for a new lease at a higher rent. At the same time, they accepted rental payments. Finally they had not reached a satisfactory agreement, and ordered Bovard to vacate. Bovard claimed this as a violation of a lease he had with the former owner, and though his attorney presented arguments based on a similar action, which was ruled in favor of the defendant, where rent money was accepted after the sale of a property. However, the court ruled that the plaintiffs had entered into negotiations for a new lease, and even though they accepted rent money after the sale was consummated, this would not rule against them, as these negotiations were continued orally and hence did not violate provisions under the old lease.

RULE IN WILL CASE

In the action to quiet title brought by Leroy Donaldson, executor of the will of Margaret Ann Barnes, deceased, and Hanna J. Lenz, Margaret E. Donaldson and Sara Peifly, plaintiffs, vs David John, David R. Smith, William M. Smith, Thomas F. Smith, Russell D. Smith and Jennie M. Palmer, defendants, the court has ruled at the demurrer of the defendants is overruled and re-

fused, and that they are not entitled to judgment on the demurrer. The defendants are directed to answer the complaint of the plaintiffs on the merits within 20 days upon pain of having the averments of the plaintiff taken as admitted.

The action involves bequests made under the will of David John, who died February 21, 1884,

devising and bequeathing to his widow, and on her death, to their children, the homestead property now in controversy, situated on John street. The property was taken over by Margaret Ann Barnes on her death in 1892, and she had possession until her death in 1947 at the age of 96 years, when she made a will bequeathing the property to three nieces, Hannah J.

Lenz, Margaret Donaldson and Sarah L. Peifly.

Catholic Veterans Make Banquet Plans

Past Commanders Banquet Scheduled For April; Auxiliary Group Progressing

New Castle Catholic Veterans furthered their plans for their past commanders banquet which is scheduled for Saturday, April 23, at The Cathedral. These plans were made at the groups Monday evening meeting in the K. of C. hall, East Washington street.

Sgt. at Arms James DeCarbo opened the meeting with prayer. Commander Edward DeCarbo presided over the large group of 100 members who arrived from over Lawrence county. Reports were

heard from committees of the banquet.

Commander DeCarbo is planning to attend the national convention in Toledo, O., February 18, 19, 20. Delegates will be appointed.

The state convention scheduled April 28, 29, 30 in York, Pa., will be attended by local delegates and these are to be appointed.

U. S. army staff showed the motion pictures of the San Pietro battle in Italy taken during the last war.

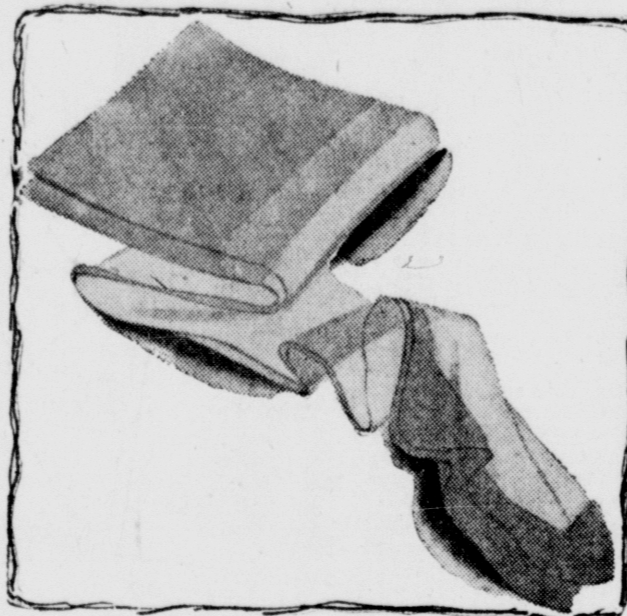

the Catholic auxiliary will meet Friday at 8 p.m., in St. Vitus hall. At the close of business a tasty lunch was served by Anthony and Fred Stoner. James DeCarbo closed with prayer.

AMERICA'S QUALITY MATTRESS FOR OVER THREE GENERATIONS

SICK!

STOMACH AILMENTS, WEAK KIDNEYS, RHEUMATIC PAINS, ARTHRITIS, NEURITIS

and such complaints as Headaches, Nervousness, Acids, Toxins, Bloating, Lack of Vitality, Energy, Poor Appetite, Underweight, Dizzy Spells.

Drugless Health!

REGARDLESS of how long you have been a sufferer, and how many medicines you have tried before, you can now hope for relief if you try GEO-MINERAL, the wonderful mineral aid. Feel and enjoy the results one week after you start taking it. GEO-MINERAL comes from the earth — Nature's laboratory. Contains NO alcohol, NO preservatives, NO oil. NO harmful drugs, NO dope — is NOT habit forming. Contains ONLY Nature's minerals. The oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments — highly recommended by the medical profession. FOR THOUSANDS of years ever since Hippocrates was the father of medicine, minerals and other natural medicines were a reliable remedy for most of our common ailments. GEO-MINERAL will enrich your blood, help to make you strong, full of pep, life and energy. If you suffer from nutritional anemia, nervousness, lack of vitality, and energy see what GEO-MINERAL will do for you.

Amazing Results

MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral anemia. When you feel nervous, dull, tired, lazy, have dizzy spells, no ambition to work or play, a poor appetite, when your eyes lack that bright spark, and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry weighing you down — it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

RHEUMATISM, arthritis are dreadful diseases. Acid condition in the blood is often their cause. What could be the remedy? For thousands of years, minerals have been used to relieve the pain and suffering of these ills. People, on the advice of their doctors, go to mineral springs to find relief. The late President Roosevelt used to go to Warm Springs in Georgia. He was helped or would not have gone there twice a year.

Wonder Minerals

YEAR after year, people rush to mineral springs and spas, to drink and bathe in their miraculous water. We have all heard of the wonderful springs of Lourdes, France, and famous Thonon in ancient Greece where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

GEO-MINERAL contains minerals you get at the world's best. ECKERT'S DRUGS — NEW CASTLE, PA.

Read What They Say!

"We have sold Geo-Mineral for the last six months and it has been one of the best selling drug items we have ever handled," say Porter Bros., pharmacists of Concord, N. C. "Users report amazing results in many instances, and we personally believe Geo-Mineral is a good medicine for purposes as indicated, and recommend it to sufferers who have tried other medicines with little if any results. They may discover that Geo-Mineral is what they have probably been needing and looking for — we unhesitatingly recommend it."

spings. Watch your elimination from your bowels a day or two after using it. The waste, black as the color of your shoes, will start to break away, and you will SEE it! Also examine your urine. You may see impurities — poisonous waste — coming out of your kidneys, relieving you. And then realize the priceless value of GEO-MINERAL.

100% Guaranteed!

WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money. REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need! TRY it today! It may do wonders for you — and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better. GEO-MINERAL: 1 bottle \$1.10, 6 for \$6.00

Six Democrats Walk Out, From Rankin's Session

WASHINGTON, Feb. 16.—(INS)

—The House Veterans committee on Tuesday approved a bill providing pensions for veterans of both world wars.

The action came after a stormy committee session in which six Democrats walked out in protest against a ruling by Chairman Rankin (D) Miss.

The bill was amended to provide a pension of \$90 a month for veterans at the age of 65 and non-service connected disability benefits.

The six Democrats accused Rankin of employing "dictatorial" tactics at the committee session. Rep. Patten (D) Ariz., asserted that he walked out because Rankin called for passage of the bill after a discussion of only seven minutes.

Nutrition Group Approves Federal School Milk Plan

The Nutrition committee of the Lawrence County Chapter of the American Red Cross at its recent meeting approved the action of the New Castle School board in accepting the federal aid milk for grade school children. Under this program school children get one half pint of milk for four cents. Without federal aid this amount would cost six cents.

Because of the increase cost of milk a serious problem has arisen among families whose incomes do not enable them to buy an adequate supply of milk. Since milk is the richest source of calcium which helps to build body bone and teeth, it is important to take advantage of this means of adding an additional glass of milk per day.

Provides Calcium

Drinking milk in company with other children makes it more acceptable to all. Thus habits of drinking milk are formed where it was sometimes refused at home. The milk is served in the mid-morning so as not to interfere with the child's appetite at the noon meal. This bottle of milk provides more than one-fourth of a child's daily calcium requirement so necessary for good health and development.

In his book "Food and Health," Dr. Sherman states, "Children on diets containing much less than a quart of milk per day are being kept unduly long in a calcium poor condition of the body however good the physical appearance of the body may be."

U. S. Navy Donates Two Naval Vessels

PHILADELPHIA, Feb. 16. — (INS)—The Navy department donated two medium sized naval vessels and five small boats to organizations in the Philadelphia area.

One of the largest vessels, a submarine chaser, is to be given to

the Valley Forge Military Academy Foundation at Wayne, Pa., for use in training academy students.

The Coast Guard Auxiliary Flotilla 22 Foundation, of Essington, Pa., is to receive small boats which will include two picket boats, two small landing craft and a buoy boat.

Under the act of August 7, 1946, the navy may donate surplus vessels to non-profit groups for use in training.

BEEF CATTLE HERDS NEEDS GOOD ROUGHAGE

Plenty of roughage, including silage if available, will carry the beef cattle herd in going condition until pasture season but be sure to provide also ample water, salt and exercise.

As protection from the elements they will do better in an open shed or barn in which they can run in and out than closed quarters.

Calves dropped during the winter will do better if they have access to grain in a creep in the barn or corner of the lot.

Heifers scheduled to go into the breeding herd this year need some grain to get into good physical condition for breeding.

W. B. Connell, livestock extension specialist from Pennsylvania State college, made these suggestions at the recent meeting of the Lawrence County Cooperative Wool Growers association.

URGE FOR SAFETY BEST FARM FIRE PREVENTION

Development of a fire safety consciousness and a determination to work and live safely is the first step in farm fire prevention.

When every member of the farm family recognizes hazards and unsafe practices, corrective measures can be taken. Farm people should eliminate farm fire hazards in three important areas:

In the dwelling—by providing metal containers for ashes; storing matches out of reach of children; avoiding use of gasoline or kerosene for starting fires.

On the farmstead—by making

roofs fire resistant; equipping buildings with lightning rods properly installed; discarding worn extension cords; storing gasoline 75 feet from other buildings, and

In the barn—by checking haymows for signs of heating; prohibiting smoking in or near the barn; storing tractor or truck away from the barn.

Any lightning rod which does not ground the metal roof, if there is one at the eaves is substandard. O "Master Label" lightning rod entitles the owner to reduced insurance rates in some companies.

Most farm fires are the result of eight preventable causes: defective chimneys, sparks on combustible roofs, inadequate lightning protection, carelessness with matches, spontaneous ignition, improper use of gasoline and kerosene, unsafe stove and furnace installation, and misuse of electricity and appliances.

Big Savings
Sen. William J. Lane, Washington, a co-sponsor of the bill said the procedure would save the state some \$300,000 yearly.

A companion measure would provide for state-aid for drivers courses in Pennsylvania high

schools, and another would boost the fee for a learners' permit from \$2 to \$2.50.

The money saved on punishing out the drivers licenses each year and the 50 cent hike for beginners

permits would be used to provide necessary funds for the school driver training program, Lane said.

The training program would be voluntary for schools.

THE FAMILY SCRAPBOOK

By DR. ERNEST G. OSBORNE

Is Adolescence a Disease?
To hear some of us talk, one might well think that the period of adolescence is almost a disease. Some parents look forward to their children's "coming of age" with considerable anxiety. Certain psychologists have stressed the idea that this period of development is one in which great changes take place and that parents and society at large must give careful attention to the problem.

To be sure, as children grow into adulthood, they become less passive, want to stand on their own feet, explore life around them, look for new experiences. But all this is a desirable part of growing up. Given an understanding attitude on the part of adults around them, most young people will use pretty good sense during the adolescent years. But it is so important to become independent that when adults attempt to hold the reins of control too tightly, it is natural and even healthy for the youngsters to break away.

If we adults—parents, teachers and others—can discipline ourselves to stand by, to be ready with counsel if it is asked for, but not to push our advice too strongly, our young men and ladies will appreciate our attitudes and be much more likely to come to us to talk things over.

Local Churches Plan World Day Of Prayer

Program To Be Offered Friday, March 4, In First Christian Church

Plans for the observance of the World Day of Prayer were furthered when members of the committee had their second assembly in the Y. W. C. A. Various congregations of New Castle and vicinity will be contacted in regard to the program which will be given Friday, March 4, in the First Christian Church.

Rev. James A. Gaiser, First Methodist church, will speak, while Rev. Henry J. Payden, St. Paul's Baptist church, will offer a vocal solo in the afternoon when the World Day of Prayer's program will be given at 1:15 o'clock. A pre-prayer service will be conducted in the morning at 10 o'clock with a period of quiet meditation from noon until 1 o'clock for those who are employed. Men, women and children of local churches will participate in the world-wide observance.

Revenue Jobs Are Open Here

Examination for probational (permanent) appointment to the positions of Zone Deputy Collector and Office Auditor, \$2,974 a year, was announced today by the director, Third U. S. Civil Service Region, for duty with the Treasury department, Bureau of Internal Revenue, in the Pittsburgh and Scranton International Revenue Collection districts in the State of Pennsylvania and the Delaware Internal Revenue Collection district in the State of Delaware.

Full information and application card forms may be obtained from the commission's local secretary, Garnet Rhodes, located at New Castle Post Office, or from the director, Third U. S. Civil Service Region, Room 103-A, Customhouse, Philadelphia 6, Pennsylvania. Jobs to be filled by this exam are located here, it is stated.

Plane Accidents In State Are Lower

Pennsylvania Aeronautics commission has revealed that aircraft owners and pilots are becoming more safety conscious.

A total of 183 aircraft accidents were investigated in 1948, which is a decrease of 24 per cent from 1947.

Accident figures of 1948 also show a decrease of 44 per cent in all fatal accidents with 20 persons fatally injured. A total of 103 resulted in no injuries. Nearly half of all accidents last year were caused by low and reckless flying. Highest among accident and fatality lists was Westmoreland county with seven accident and 10 fatalities.

Field Inspection Planned At Armory

Officers and enlisted men of Headquarters Battery, 229th Field Artillery battalion, will have a full field inspection of clothing and equipment on Thursday evening, February 17, at Cunningham Armory.

Men unable to be present for the inspection can leave their clothing at the Armory anytime prior to the inspection. The order is issued by James A. Yohn, Captain, 229th Field Artillery battalion.

Featuring 14 Important Motor Car Advancements

1. THE YEAR'S OUTSTANDING BEAUTY. Completely new front end styling, striking new Bodies by Fisher, new Stream-Sweep fenders, and Hi-Are rear deck ensemble—all combine to make the 1949 Pontiac truly "the most beautiful thing on wheels."

2. LOWEST PRICED CAR WITH GM HYDRAMATIC for unsurpassed "automatic" driving ease. No clutch pedal. No continuous shifting. You just sit back and drive! Optional on all models at extra cost.

3. NEW WIDE-HORIZON WINDSHIELD. Wider and smarter curved in the modern mode.

4. WIDE, EASY-ACCESS DOORS contribute greatly to the pleasure of owning and driving a Pontiac. The floor is level with all door sills—a safety feature particularly appealing to women.

5. SAFE-NEW DRIVER VIEW. The new windshield, lower hood and slimmer pillars give greatly increased road vision. Greater glass area, both front and rear, gives a sense of "open-airness" to the VISION-AIRE INTERIORS.

6. NEW TRAVELUX RIDE. Extraordinary comfort over all roads is made possible by **CENTER POISED SEATING**—which places rear seat passengers ahead of the axle, not over it.

7. WIDER SEATS . . . ADDED ROOM for luxurious, ultra comfortable riding.

8. NEW LOW PRESSURE TIRES, 15" WHEELS AND WIDER RIMS reduce road roughness and assure easier, steadier riding.

9. NU-CUSHION SPRINGING—combined with **SEALED AIRPLANE TYPE SHOCK ABSORBERS**, functioning within coil springs—assures a soft, smooth ride.

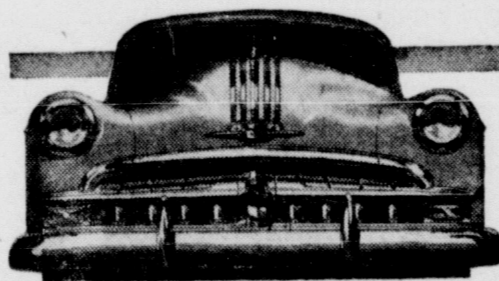

10. PONTIAC FAMOUS IMPROVED STRAIGHT EIGHT AND SIX CYLINDER ENGINES provide thrilling new performance. Packed with power . . . delightfully smooth . . . amazingly economical . . . thoroughly proved!

11. NEW HEATING AND VENTILATING SYSTEM with conveniently located controls on instrument panel.

12. NEW FINGER TIP STARTER BUTTON located within convenient reach on the instrument panel.

13. CARRY-MORE LUGGAGE SPACE with its new counter-balanced lid provides additional space making for new travel convenience and enjoyment.

14. NEW DIAL-CLUSTER DASH featuring the new **MAGNA-VUE SPEEDOMETER** which magnifies mileage figures for instant, easy reading; the new **NITE-LITE IGNITION SWITCH**; the **HANDI-GRIP PARKING BRAKE**, located at the left.

PONTIAC—DIVISION OF GENERAL MOTORS

The minute you see it, you'll say, "That's it!" Because that's the natural, normal reaction to this utterly new and gorgeous beauty—the finest in a long, unbroken line of fine Pontiac cars! You'll feast your eyes on the outside—and you'll say it's a dream within! For here's a whole new concept of space, light and airiness in a motor car! And when you drive and ride, you'll say it's even better than it looks! You'll experience a thrilling, delightful, unique combination of power, acceleration, smoothness, silence, economy and proved design—all made more exciting by the unsurpassed driving ease of GM Hydra-Matic Drive. And as for comfort—just wait till you experience the almost unbelievable comfort and ease of Pontiac's exclusive new "Travelux" Ride! Here's one new car that's well worth looking at! Your Child In School Has A 'Second Parent' -- The Teacher

(By A. W. VANDERMEER)

Associate Professor of Education Pennsylvania State College

How important is the school teacher in your community? So important that, in the eyes of the law, the teacher is looked upon as a sort of substitute mother or father.

This principle has been reaffirmed again and again in American courts and is embodied in a Latin phrase, in loco parentis, which means approximately, "in the place of the parent."

What the courts have held, consistently, is that, while a child is in school, his teacher is legally a substitute mother or father.

This is a pretty large responsibility when you compare it with your own job as a parent, a task sometimes requiring the wisdom of Solomon and the patience of Job. A teacher's "family," which is her class—after all, will run no less than seven times the size of the average family.

What makes for good parenthood also makes for good teaching. Most of all, children need to be loved and cared for. The good parent and the good teacher both are willing to place the welfare of children above their own welfare. Both make monetary sacrifices to the end that children may have the care and training that they need. Both frequently have to submerge their own egos in the interests of the best development of the child.

Parents and teachers are in harmony regarding what things matter most in a child's training. Of far more consequence than the contents of any textbook or encyclopedia is the desire to seek the truth and to do the right thing always. Half of knowledge is where to find it, and it is the application, not the knowledge, that matters.

Most Important Task

The most important task of childhood is to become an adult.

5 doctors prove this plan breaks the laxative habit

If you take laxatives regularly—here's how you can stop!

Because 5 New York doctors now have proved you may break the laxative habit. And establish your natural powers of regularity. Eighty-three per cent of the cases tested did it, so can you.

Stop taking whatever you now take. Instead: Every night for one week take 2 Carter's Pills. Second week—one each night. Third week—one every other night. Then—nothing! Every day: drink eight glasses of water; set a definite time for regularity.

Five New York doctors proved this plan can break the laxative habit.

How can a laxative break the laxative habit? Because Carter's Pills "unblock" the lower digestive tract and from then on let it make use of its own natural powers.

Further—Carter's Pills contain no habit-forming drugs.

Break the laxative habit... with Carter's Pills... and be regular naturally.

When worry, overeating, overwork make you irregular temporarily—take Carter's Pills temporarily. And never get the laxative habit.

Get Carter's Pills at any drugstore for 39¢ today. You'll be grateful the rest of your life.

Range To Test Guided Missiles Given Approval

WASHINGTON, Feb. 16.—(INS)

A House Armed Services subcommittee today approved legislation authorizing creation of a 3,000-mile range to test new guided missiles.

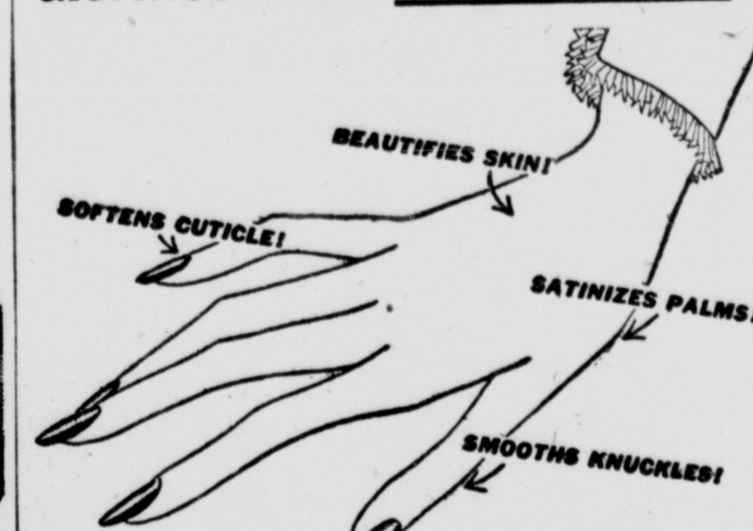

The subcommittee gave swift approval to the legislation, which is backed by the army, navy and air force, after hearing key military personnel term the measure "urgent."

Present proving grounds in New Mexico and California are limited to 150 miles and the subcommittee was informed that "missiles with ranges up to 500 miles will be ready for testing during 1949." The site of the new range has not been revealed.

The teacher's task is somewhat more difficult. She must willingly accept children who never are "made in her own image," and who frequently represent cultures somewhat foreign to her own. At best, she can hope to spend no more than a few hours a day with her children, and that over a period of only three quarters of a year. In the space of a full year she must get to know each child, to develop an affection for him, and then to transfer that affection to a member of a new class.

The teacher's job, in loco parentis, is indeed a complex one. Like parenthood, it has its difficulties, frustrations and disappointments. It also, fortunately, brings similar well-deserved rewards—affection, appreciation and respect.

Why not get all this in YOUR new car?

Owners of low-built Hudsons have it!

Owners of New Hudsons are seeing for themselves that the lower a car can be built, the more graceful its lines can be made, the better it will ride, the more sure it will handle, and the safer it will be!

Because people who drive Hudsons "step down" into an exciting, new kind of automobile, they enjoy more head room and roomier seats—in an automobile only five feet from ground to top—than in any mass-produced car built today! Yet Hudson has ample road clearance!

But roominess is only one of the wonderful advantages that go with the automobile that is so far ahead it's a protected investment in motor car value.

Here are more:
Authentic beauty—the "step down" principle is so basically right it frees

designers of the need for makeshift styling, enables Hudson to achieve pleasing proportions, symmetric, flowing lines.

A hug-the-road ride, and a smooth, steady way of going, because Hudson has the lowest center of gravity in any American stock car!

Performance? You bet! Hudson's all-new, high-compression Super-Six engine—or the masterful Super-Eight, get every chance to perform at their brilliant best, because this car is so low-built, so streamlined!

A new measure of safety, because you ride completely encircled by the sturdy, box-section steel girders of Hudson's Monobilt body-and-frame.*

We invite you to visit your nearby Hudson showroom, to see all the advantages you are entitled to in your new car!*

U. S. Will Not

Abandon Japan

WASHINGTON, Feb. 16.—(INS)—Secretary of State Dean Acheson emphasized today that the United States is not considering abandoning Japan in event of world hostilities.

Reports that such a plan is under consideration came from Tokyo but were denied by Army Secretary Royall.

The secretary said: "There was no basis for the alleged policy statement cited in that report from Tokyo and no change is contemplated."

Discussing his conference with Chinese Ambassador Wellington Koo yesterday, Acheson said they took up a great many matters of

general interest to both China and this country. He said he and Koo discussed them very fully but no decisions were taken.

Gen. Clay Withdraws Accreditation From Soviet Mission

(BULLETIN)

FRANKFURT, Feb. 16.—(INS)—Gen. Lucius D. Clay, U. S. military governor in Germany, announced today he is withdrawing the accreditation of the Soviet repatriation mission in the U. S. zone of Germany, effective March 1.

Clay announced his action despite the protests of Marshal Vassili Sokolovsky, Russian commander in Germany, that the mission is "indispensable."

Pierre Curie of France wrote a thesis in 1895 on the magnetic transformation of metals with heat, later called the Curie Law. Curie metal is an alloy of iron and nickel which is magnetic at room temperature but becomes non-magnetic when heated above a certain definite temperature. In 1938 gas light and coke company laboratories began investigating the possibilities of using these magnetic properties for control devices on gas appliances.

Seventh Ward Ward Civic Club Meets On Tuesday

Receive Reports On Scout Activity And Fun Night; Cherry Street Sidewalk To Be Repaired

On Tuesday, about noon, members of the Seventh Ward Civic Club gathered in Hyde's Drug Store, for their regular meeting, with Eldred Uby presiding.

Reports were given on progress of the scout activity, also on "Fun Night", under the supervision of William Smith, one of Mahoning School faculty; president Uby was also present. A pennant night is being planned for the near future.

Regarding the East Cherry street sidewalk, near railroad tracks, there has been consultation with the city sidewalk inspector, and it is expected that the repairs needed, will be done in the spring.

First Grade Mothers Committee To Meet

At the home of Mrs. Jean Kennedy of 310 North Lafayette street, on Thursday afternoon, at two o'clock, the First Grade Mothers' Club nominating committee will meet.

This committee will nominate mothers of first grade pupils, for election as officers, at next regular monthly meeting on February 24. Other matters of importance will be discussed at that time.

Presbyterians Win Basketball Game

On Tuesday evening, the Mahoningtown Presbyterian church basketball team defeated the Mt. Jackson U. P. team, 52 to 36.

The winners led in every period to win, on Mahoning School floor. Frew was high scorer with 22 points. Howard was best for the losers, with 12 points.

Any church team whose players are under 18 years and can play games on a home and away basis, may phone Don Weisbaker 6005-J.

Pine Tree Patrol To Begin Contest

Members of the Pine Tree Patrol met Tuesday evening, at the home of Richard Gilbert, Newell avenue. Patrol leader Carl McConnell and assistant John Finnin, are supervising a patrol contest with ten different items.

The patrol has planned to meet Friday morning at their den on Newell avenue, since there will be no school sessions in the seventh ward district; they will clean and reorder the den.

Saturday morning, February 19, the patrol will take part in the troop hike. Next regular meeting, Tuesday evening, February 22, when contest begins.

Short Circuit Club Honors Birthday

Short Circuit Club members met for their regular meeting at the home of Miss Carmella Colatruccio, 204 South First street on a recent evening. The club honored the hostess on the occasion of her birthday with a shower of lovely hankies and other gifts.

The door prize was awarded to Mrs. Jean Ruzzi. Special guests were Miss Mary Guiliano and the hostess's sister, Mrs. Francis Shor-nack. After a brief business meeting, the remainder of the time was spent in playing cards.

Miss Colatruccio, aided by Miss Justine DeCaprio, served a delicious lunch. The club will meet on February 20 with Mrs. Jean Ruzzi, West Madison avenue.

Ward Pastor Attends Annual Conference

Rev. J. L. Petrie, pastor of Mahoning Methodist church, has returned from Meadville where he attended a meeting of the Erie Annual Methodist Conference Commission on ritual and music.

Arrangements have been made for musical festivals in the Grove City, Brookville, Meadville, and Jamestown, N. Y. districts to be held in May.

The musical festival for Grove City district, will be held in Grete Methodist church, Grove City, on Sunday, May 15.

Choir directors of churches in Grove City district, will be contacted at an early date. Rev. Petrie is a member of the commission.

Group At Revival In Ellwood City

Robert L. Smelser, the pastor, and Mrs. Smelser, Mr. and Mrs. Russell McConnell, and Mrs. S. L. Park, West Madison avenue, and Mr. and Mrs. Robert Stevenson and family, 610 East Washington street, of Madison Avenue Christian church, attended the revival services on Monday evening, now in progress at the First Christian church, Ellwood City.

Orlin L. Mankameyer is the evangelist, who has been working with the French Acadian Christian Mission, of Louisiana.

Ward World War Vet Will Be Transferred

According to word from Mrs. Robert Ricker of San Francisco, Calif. to her parents, Mr. and Mrs. J. H. McCann, of West Clayton street, her husband, Lieut. Robert Ricker, attached to the Medical Corps, is expecting soon to receive orders to be transferred to another post.

Lt. Ricker is a veteran of World War 2, where he had five ships sunk under him.

SEVENTH WARD NOTES

Word has been received that the hand of Wilbur Chambers, R. D. 7, Covert road, is healing splendidly. He suffered the loss of four fingers of his right hand, on February 2, from an electric saw in his home. He was treated at Jameson Memorial Hospital.

Mrs. T. J. LaRock, of 511 West Madison avenue, has returned from Lorain, Ohio, where she visited with friends and relatives.

Billy and Jeanette, son and daughter of Mr. and Mrs. Arthur M. Brown of Newell avenue, are confined to their home, with illness.

Colgate-Palmolive-Peet's Fabulous Washing Discovery

FAB washes everything CLEANER, WHITER and FASTER than any soap on earth!

Yes, in hardest water, FAB washes all family wash faster, cleaner, whiter and brighter than any soap ever made!

Cleans even grimest overalls cleaner faster than soap!

When you wash, FAB with Super-Wetting Action penetrates materials faster and more thoroughly, pushes dirt out! And FAB is up to twice as economical as soap in hard water. No soap scum with FAB!

FABULOUS SUDS IN HARDEST WATER!

You can use half as much FAB as soap in hardest water...and get a tub or washer full of rich, thick, dirt-bustin' SUDS.

NEW INGREDIENT GETS DAD'S SHIRTS WHITER!

FAB contains a fabulous, new ingredient that gets white wash whiter and colors brighter. There is no "graying" soap scum!

WASHES WORK CLOTHES CLEANER THAN ANY SOAP!

FAB with Super-Wetting Action instantly penetrates materials; pushes dirt out! Even children's play clothes get cleaner! No "graying" soap scum!

What is Super-Wetting Action?

To see, roll cotton thread into a little ball and drop into a glass of water. It floats, stays dry a long time. Drop another little ball of thread into a glass of water and FAB. It sinks; becomes soaked at once.

New Wilmington P.T.A. Observes 50th Anniversary Of Organization Of Association

NEW WILMINGTON, Feb. 16.—The 50th anniversary of the Parent-Teacher Association was observed by the local chapter at their meeting Monday evening in the U.P. church.

A movie, "Pop Rings the Bell," which dealt with public school affairs, was shown by Moreland Thompson.

Plans were discussed for the presentation of three films explaining the Oxford Movement. It is hoped to devise ways and means to show the pictures to public school pupils. A committee composed of James McLaughry, Mrs. Helen Myers and Walter Whitman was named to make the plans.

A large birthday cake commemorating the 50th anniversary comprised the refreshments. Pretty Valentine favors made by the Brownie troop were distributed.

The attendance picture went to the fifth and sixth grade room.

Boy Scouts Guests

Sixteen members of the Boy Scout troop sponsored by the Kiwanis club were guests of honor at Monday night's dinner meeting at the Methodist church. The dinner was arranged in observance of Boy Scout Week.

Harold Barry, a member of the athletic staff at Westminster college, and a worker among scouts for many years, was the principal speaker. He spoke of the requirements of a good scout.

The scouts were introduced individually by their leader, Lyman Ringbloom. They then gave a demonstration of their various skills acquired in attaining higher ranks under the direction of Paul Thornhill, assistant scoutmaster.

Rev. Robert Kelly, program chairman, announced that Rev. James Cummings, of Rawlins, India, a missionary on leave, will be the speaker.

Ask Court To Uphold Ban On Closed-Shop

WASHINGTON, Feb. 16.—(INS)—The government, in the first action of its kind, asked the U. S. Court of Appeals in New York Tuesday to uphold the closed-shop ban of the Taft-Hartley labor law.

The action was taken by the National Labor Relations Board.

The NLRB charged that the CIO National Maritime union failed to comply with a previous order directing the union to change its Great Lakes hiring hall policies.

NLRB officials said the action marked the first direct court test of the Taft-Hartley law on closed shops.

The NLRB filed a petition against the union and seven of its top officials. The petition accused the union and officials of making four Great Lakes oil tanker firms restrict their hiring to seamen furnished through the union's Great Lakes hiring hall.

The board charged that the union divided this means to "require the companies to discriminate against non-union seamen."

According to the NLRB, the union admits non-members to the hiring hall, "but it is only when non-union members are available that a non-member is assigned to a job vacancy."

The NLRB found this practice to be unlawful in an order issued last August 19.

Try And Stop Me

By BENNETT CERF

Irvin Cobb was aboard a river steamer that was stopped en route by an impenetrable fog. An anxious passenger inquired, "What's wrong?" "Can't see up the river," explained Cobb. "That's funny," exclaimed the passenger, "I can see the stars overhead perfectly plain."

"Interesting but irrelevant," said Cobb. "Unless our boiler busts we're not going that way."

Miriam Hopkins made her debut as one of the "Eight Little Notes" who served as the chorus of the First Music Box Revue. (Ona Munson was another star who had a tiny part in that famous show.) On the out-of-town tryouts an ageing soprano was pencilled in for a leading role, and sought to impress Miss Hopkins. "I'll have you know," she declared, "that I insured my voice for \$50,000. 'That's wonderful,'" said Miss Hopkins. "What did you do with the money?"

Piles—Get Relief Now

Millions of sufferers in the last 40 years have found a way to fast relief from itching smarting piles. They use a delightful cooling soothing astringent formula — Peterson's Ointment. No wonder one sufferer writes, "The itching and smarting were relieved, and I slept all night. Peterson's Ointment is marvelous." 40c and 60c, all drug stores. Be delighted or money back.

PRR Veteran On Job Forty-Five Years To Retire

WILMINGTON, Del., Feb. 16.—(INS)—Casey Jones has nothing on Frank G. Giacomini. This aging veteran of the Pennsylvania railroad has been patrolling his locomotive over the rails for 45 years. But now, he has decided to give up the choo-choo business in favor of playing golf. He also expects to devote much of his time to playing with his two grandsons.

Giacomini advises any youngster who wishes to become an engineer to "go to it." He also tells them that once you become a control master, the job becomes so interesting that you hate to quit.

The first Christmas cards in the United States were made in 1874 by Louis Prang. This custom had already been growing in England for 30 years previous.

Titans-W.&J. Clash Tonight

Westminster college's long home winning streak of 54 games will be in jeopardy tonight when Washington and Jefferson, under the tutelage of the wily Adam Sanders, comes here. A packed gym is expected with the tipoff at 8:15.

The visitors from Washington are rated a fine chance of upsetting the in-and-out Titans. Their recent victory over West Virginia has given them considerable prestige. Sanders has been using a two-platoon system which has not only gained the attention of the fans but has brought good results.

PICCIRILLO REED

ARE TOP SCORERS

(Continued from Preceding Page)

with their high-scoring leader gone and win, and win they did.

The fourth period was about as exciting eight minutes as seen for many a moon. The count was tied up again at 38-38 when Francowski made a fielder. Sampson, a sub for Reed, put New Castle ahead 40 to 38, and "Pic" added one to make it 42 to 38. With three minutes of the game remaining it was 42 to 40 New Castle. Piccirillo and Lewis made field goals in quick order and it put the locals ahead 46 to 40 and Sharon was fading fast. With a minute left it was 49 to 42. Sharon seemed bewildered and couldn't snap out of it. New Castle on the other hand was "hot!"

At Farrell Friday

New Castle made 12 out of 23 fouls and Sharon caged 13 out of 27, neither team being what one could call effective at the charity lane.

Mike Listiak and Ed Francowski led the Tigers in tallying with 14 and 11 points respectively. The whole New Castle team deserves plaudits for a fine performance.

New Castle will play at Farrell Friday night and will end the season next Tuesday meeting Ellwood City at the Washington High gym.

Sharon won the junior varsity game last night 35-23.

Arthur B. Davis

Dies In Youngstown

Word has been received by Mrs. Joseph Love of 514 Norwood avenue and Mrs. Phil Greer of 134 North Jefferson street that their brother-in-law, Arthur B. Davis of Poland, O., former resident of this city, died in the South Side Unit hospital, Youngstown, Tuesday following a heart attack suffered two weeks ago. He was chief engineer for the Ohio Edison Electric company. Mr. Davis was born in New Castle and spent his early life here up until the time of his marriage.

Surviving are his widow, Mrs. Lillian Fitch Davis; a daughter, Mrs. Charles Spencer; a brother, Fred Davis of this city, and two grandchildren.

Mr. Davis was a member of the Masonic order. Funeral services are to be conducted from the Shriver-Allison funeral home, north side Youngstown, Friday at 1:30 p. m. with interment to take place in a Sharon cemetery.

Helots were slaves held by the Spartans, who used to make them drunk to show the Spartan children the repulsiveness of drunkenness.
